RoW permission-Forest area

- Fortnightly Regional Coordination Meeting Committee(FRCM) being conducted by IROs to discuss pending proposals
- Total 472 (as per Parivesh) Right of Way applications are pending with Forest Department across states/UT
- Science and Technology Department (Government of Madhya Pradesh) has taken a very positive step by making amendment in “Guidelines for establishment of Infrastructure to provide wire line or wireless based voice or data access services by TSP/ISP/IP Companies in Madhya Pradesh-2019”.
- As per the amendment, the Telecom Service Providers/ Infrastructure Providers have to apply online application for seeking permission of forest land. thereafter, the District Collector would obtain the rights of the land from forest department .
- All states/ UTs may adopt similar practice regarding forest clearance
