(Nodal Officer – CbuD Mobile App – Power Sector)

Sub: Mandatory use of CBUd Mobile App.

With reference to above, it is to intimate that DoT has issued Indian Telegraph (Infrastructure Safety) Rules, 2022 (ITIS Rules 2022) on 3rd Jan. 2023 which mandates to use portal or mobile app and casting liability on excavator / excavation agencies to notify any likely excavation through the app to the telephone / telecom licensee owning or managing telegraph infrastructure

It is, however, intimated that process of nomination of Nodal Officer upto. Tehsil /Taluka level have been completed in power sector companies. Thus, to materialize the objects and aims of CBUd Mobile App, the following instructions are to be taken into consideration by all respective Nodal Officers to fulfill the aim of CBUd Mobile App in true manner.

- Ensure mandatory use of CBUd App prior to digging at site.
- Before placing any work order, it may be incorporated in the order to use CBUd App mandatorily. All the respective work order issuing/execution authority will ensure that excavating agencies has started work after due application of aforesaid CBUd App.
- All agencies intending to carry out excavation (Govt. or private) needs to be mandated to carry out any type excavation/ digging only after prior intimation through CBUd app. Digger agency has to submit all the required information to all the utility asset owners at one place and digger will coordinate with the assets owners to save underlying assets and all precaution on the part of digger agencies be adopted to prevent from penalties/dispute/inconvenience.

For the sake of convenience, a PPT prepared by the Department of Telecommunications, Ministry of Communication Gol is being enclosed herewith for optimum utilization of CBUd App

THIS MAY PLEASE BE GIVEN PRIORITY.
