eCF No. IT 277775/2022/34

Dated Dispur the 26 th June, 2024.

From : The Joint Secretary to the Govt. of Assam,  
Information Technology Department,  
Dispur, Guwahati-6.

To : The District Commissioner,  
All District.

Sub : Constitution of District Level Telecom Committee (DLTC) for CBuD app in the State- reg.

Sir/Madam,

With reference to the subject cited above, I am directed to inform you that Hon'ble PM had launched the Call Before u Dig (CBuD) Mobile App. for prevention of damage to vital underground infrastructure assets like optical fiber cables, water/gas pipelines, electric cable etc. during any digging activity. However, MeitY has reported that despite the large number of user department's office registrations and mandate for usage of CBuD before any digging, the usage of the CBuD Mobile application has not percolated as per the expectations.

To achieve the primary objective of maximum adoption of CBuD for all excavation activities, it is suggested to utilize the review mechanism at the District Level Telecom Committee (DLTC) in each district where issues related to telecom/right of way are discussed. Necessary intervention is therefore requested at your end to incorporate review of CBuD usage in addition to other issues in the agenda of DLTC.

In this regard, details of the CBuD agenda points which can be monitored at such meetings are enclosed herewith along with a copy of DO letter received from DoT.

Encl.: As stated above.

Yours faithfully,

Signed by  
Parvez Amin
