

Municipal Corporation of Delhi
Office of the Chief Engineer City SPZ/Lab
10th floor, Dr. SPM Civic Centre,
New Delhi-110001.

No. CE/CSPZ/MCD/2023/ *D-165*

Dated:- *14/12/2023*

Subject:- Use of CBud app before digging.

The Various agencies carry out excavation on public roads to construct infrastructure across the city wherein the excavating agencies often damage already existing infrastructure of other utility asset owners causing them huge loss, inconvenience to citizens and associated business loss to other stakeholders. To address these issues of coordination between excavating agencies and the asset owner agencies, Department of Telecommunication, GOI has come out with **CBuD Mobile App** which provides interface for excavating agencies/contractors to alert / inform owners to existing utility assets coming in the excavation route. In this context, a workshop has also been conducted by the officials of Department of Telecommunication, Ministry of Communication, GoI at Civic Centre on 26.10.2023 to make the MCD engineers aware of the use of functioning of the CBuD App. During the workshop, it was decided that all SWs attached with Chief Engineers will act a Nodal Officer for use of CBuD App in their respective zone.

A letter has been received from Dy. Director (LB-I), Govt. of NCT of Delhi vide letter No. 13(472)UD/LB-I/CBuD/2023/021722703/733-36 dated 22/11/2023 whereby it has been communicated that Secretary, IT, GNCTD has expressed his concern about the CBuD App, not being used by stakeholders of Delhi and directed to ensure that all the stakeholders install CBuD App on their mobile. Moreover, any digging activities planned to be carried out informed to all stakeholders through CBuD App one week prior to digging otherwise the road cutting agencies will withdraw the permission.

Accordingly for strict compliance of the above instructions as well as to facilitate to use of CBuD App, a meeting has been convened in the office of the undersigned on **19/12/2023 at 4.00 PM**. All Chief Engineers are therefore requested to ask their concerned SWs to attend the meeting on the said date and time to make this App popularise and functional. The concerned officials from the Deptt. of Telecommunication, Govt. of India will also attend this meeting and will elaborate regarding functioning of this App and will provide all the necessary credentials like ID & Passwords for operation this App at HQ level.

(A.K. Gupta)
Chief Engineer (Lab)
