Date

D.O.No:IT-B1/167/2022-ITD

Dear Sir,

Kindly refer to the D.O. letter of even number dated 10-03-2023 whereby it was requested to make use of the Call Before U Dig (CBuD) mobile App developed by Department of Telecommunications, Ministry of Communications, Government of India and requested to issue necessary instructions for carrying out all types of digging after giving prior intimation through the said App.

2) In this regard, the Department of Telecommunications has conveyed the further steps to be taken for the effective implementation of CBuD App. Therefore, I would request you to take necessary action for implementing the following directions received from Government of India in connection with the implementation of CBuD App:-

- i) To configure users up to level 5 in the App (The level 5 is newly introduced for on-boarding users up to Taluk/Tehsil level.)
- ii) Instruct the officials concerned to respond compulsorily to the messages being received through "Call Before u Dig" App and take steps for mitigating the probable damages to the assets.
- iii) To direct excavators (contractors) to do any type of digging activity only after giving prior intimation through "Call Before u Dig" App at least 48 hours before the commencement of digging.
- iv) To incorporate a provision in the digging permission letter for reporting the location of digging on the CBuD App before the inception of excavation.
- v) To map the details of underground utilities in PM Gati Shakti National Master Plan Portal.
- vi) To randomly monitor digging activities to examine as to whether the information regarding digging has been intimated through CBuD App and to make the excavators aware of utilising CBuD App.

Warm regards,

Yours Sincerely,

Sri. K.R. Jyothilal IAS,
 Additional Chief Secretary, Power Department.
